COLORS & FINISHES

BORN HERE.
BUILT HERE.

WOODGRAINS

Colors and woodgrain patterns shown on screens or in print may not exactly match actual finishes, as appearance can vary by device and process. For the most accurate representation, we recommend requesting physical samples prior to final specification or selection.

White American Walnut **V2**

Light American Walnut **V2**

Light National Walnut **V1**

Light Table Walnut **V3**

WOODGRAIN VARIANCE SCALE

Woodgrain finishes will vary in tone and pattern. The following scale provides guidance of how much variation to expect across an installation.

V1 Minimal Variance	V2 Moderate Variance	V3 High Variance

10%-16% Gloss

Custom colors, unlimited possibilities.

Bring your vision to life with finishes tailored to your project. Lumabuilt offers custom color development and matching services, working closely with you to achieve the exact look you need. While custom orders require additional cost, minimum quantities, and extended lead times, our team can help you create truly one-of-a-kind finishes that set your design apart.
