

MOSAIC

LINEAR BEAM CEILING SYSTEM

The Mosaic Linear Beam Ceiling System represents the next evolution of Lumabuilt's design-forward aluminum systems — a line created to bring the signature Mosaic aesthetic indoors. Combining architectural precision with creative freedom, our ceiling system reimagines interior environments as expressive, dimensional spaces that balance form and function.

The Linear Beam Ceiling System transforms ceilings into refined architectural elements, adding depth, rhythm, and warmth to interior spaces. Every component is crafted from durable aluminum and finished using Lumabuilt's proprietary sublimation process, achieving the natural appeal of wood with the lasting performance of metal.

Built for design flexibility, low maintenance, and enduring beauty, the Linear Beam Ceiling System extends the Mosaic legacy — giving architects and designers new ways to shape interiors with the same sophistication that defines Lumabuilt's exterior systems.

Design Freedom

Offered in a variety of profiles and finishes to realize any vision.

Interior Versatility

Designed to elevate both residential and commercial interiors.

Installation Flexibility

Accommodates multiple installation methods for creative freedom and efficiency.

Fire Resistant

Crafted from non-combustible aluminum to meet the highest safety standards.

Sustainable Choice

Made from recyclable aluminum that supports greener design.

Built for Simplicity. Engineered for Flexibility.

From suspended to surface-mounted designs, our systems provide the flexibility and performance to meet every project's unique installation needs.

Hex Bolt Channel Block

Securely mounts beams directly to the carrier or ceiling substrate, providing a clean, seamless installation.

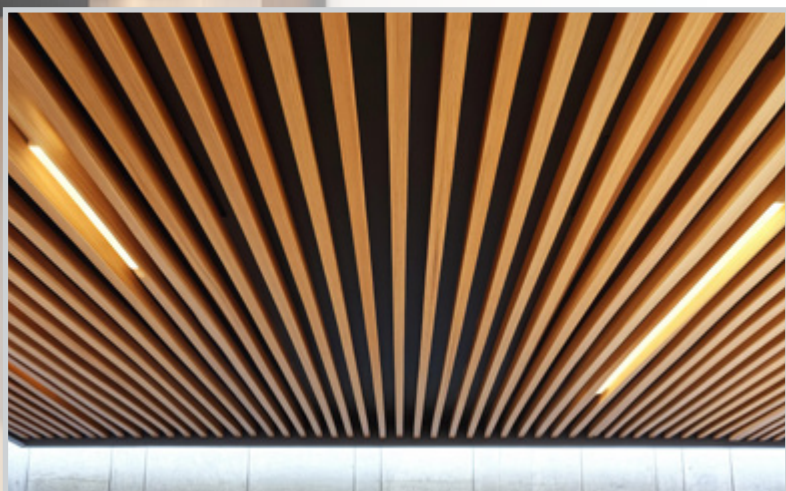

Eye Bolt Channel Block

Enables suspended installations using 12-gauge wire, offering flexibility and design freedom for open-ceiling environments.

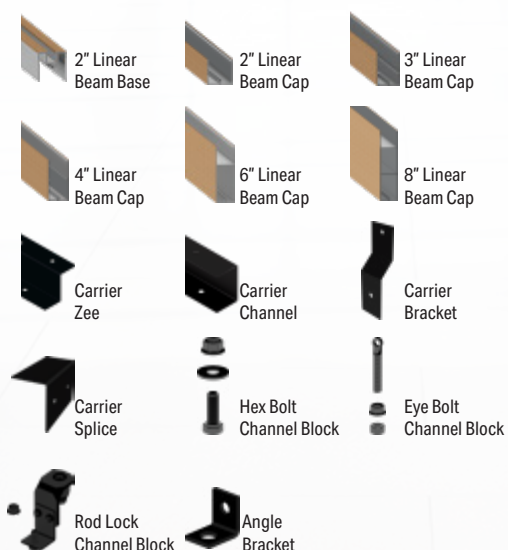

Rod Lock Channel Block

Simplifies suspension and precise leveling with all-thread, ensuring consistent alignment and efficient installation.

Linear Beam Ceiling System

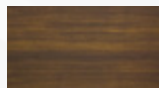

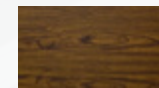

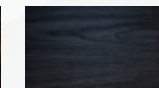

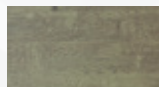

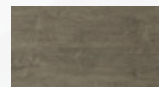

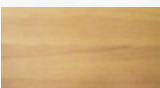

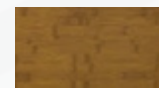

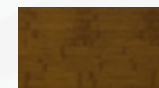

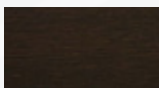

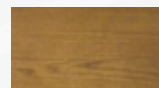

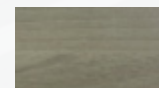

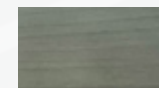

PROFILE/PRODUCT	PRODUCT NUMBER	LENGTH*	WEIGHT
2" Linear Beam Base	ABBTB2X288	24'	.239 lb/lf
2" Linear Beam Cap	ABBC2X2X288	24'	.558 lb/lf
3" Linear Beam Cap	ABBC2X3X288	24'	.804 lb/lf
4" Linear Beam Cap	ABBC2X4X288	24'	.996 lb/lf
6" Linear Beam Cap	ABBC2X6X288	24'	1.487 lb/lf
8" Linear Beam Cap	ABBC2X8X288	24'	2.408 lb/lf
Carrier Zee	CARRIERZEEFRAME	10'	1.387 lb/lf
Carrier Channel	CARRIERCHANFRAME	10'	1.387 lb/lf
Carrier Bracket	CARRIERBRACKET	-	.169 lb/ea
Carrier Splice	CARRIERSPLICE	-	.3125 lb/ea
Hex Bolt Channel Block	CHANBLOCKHEXBOLTASSY	-	.075 lb/ea
Eye Bolt Channel Block	CHANBLOCKKEYEBOLTASSY	-	.081 lb/ea
Rod Lock Channel Block	CHANBLOCKRODLOCKASSY	-	1.506 lb/ea
Angle Bracket	ABCEILINGANGLEBRA	-	.031 lb/ea

*Linear Beam components may require a fresh, square cut due to the manufacturing process.

Finishes That Define the Design

From warm woodgrains to sleek solids and specialty textures, Lumabuilt offers a versatile palette designed to bring any architectural vision to life. Using a proprietary powder coating and sublimation process, our finishes achieve unmatched realism and long-lasting performance in both interior and exterior applications. Every finish is backed by a 15-year warranty—with a 20-year specialty warranty available upon request—so you can specify with confidence that your project will stand the test of time.

WOODGRAINS

							
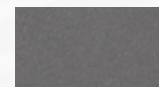

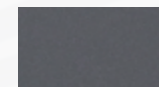

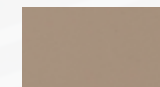

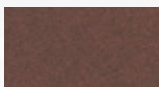

White American Walnut V2	Light American Walnut V2	Light National Walnut V1	Light Table Walnut V3	Table Walnut V3	American Walnut V2	Dark National Walnut V1	Black Walnut V1
							
White Oak V1	Red Oak V3	Reclaimed Oak V3	Distressed Oak V3	Super Oak V3	Dark Super Oak V3	Light Hazelnut Brown V1	Hazelnut Brown V1
							
Cream Fir V1	Light Fir V1	Dark Fir V1	Light Maple V2	Colony Maple V3	Dark Colony Maple V3	Medium Cherry V3	Dark Cherry V3
							
Light Super Wide Grain V3	Super Wide Grain V3	Dark Super Wide Grain V3	White Bamboo V1	Amber Bamboo V1	Dark Amber Bamboo V1	Dark Knotty Pine V2	Extra Dark Knotty Pine V2
							
Light African Rosewood V1	African Rosewood V1	Basswood V3	Light Pecan V3	Weathered Teak V3	Coastline V3		

WOODGRAIN VARIANCE SCALE

Woodgrain finishes will vary in tone and pattern. The following scale provides guidance of how much variation to expect across an installation.

V1 Minimal Variance V2 Moderate Variance V3 High Variance

SMOOTH & TEXTURED FINISHES

							
Oil Rubbed Bronze	Dark Bronze	Black	Serious Gray	Graphite V2 V3	Charcoal	Sierra Tan	Rust Spice V2 V3
							
Signal White	Weathering Steel V2 V3	Arizona Blue Smooth Only	Turmeric Smooth Only	Red Brick Smooth Only	Burnt Garnet Smooth Only	Ink Black Smooth Only	Deep Olive Smooth Only
							
Aegean Blue Smooth Only	Summer Sage V2 V3 Texture Only	Lucky Green Smooth Only	California Bronze V2 V3 Smooth Only				

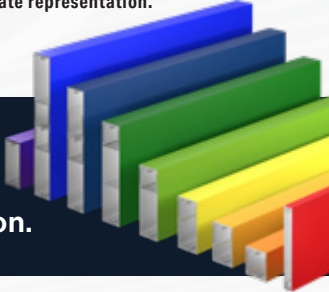

Colors and woodgrain patterns may vary by screen or print. We strongly advise to request samples for the most accurate representation.
